Peer Mentoring Project Co-Ordinator

1 x Part Time 21 Hours per week

NJC S01, (29) £26,845 (Inc. OLW) (Pro Rata)

Post ends May 2012 subject to continuing funding.

We are looking for a highly committed and dynamic individual to set up, deliver and monitor **Mind2Mind**, a new and innovative peer mental health mentoring project.

The coordinator will recruit mentors from current service users in order to provide 1 to 1 mentoring support to new users of Mind in Bexley's services who are experiencing mental ill health and help them make positive choices about their lives and particularly to support them during important transition points to enable them to rebuild their lives.

You will be committed to promoting recovery and opportunity through Mentoring. If you have relevant experience, are sensitive to the needs of people with mental health issues, committed to empowering individuals and have excellent communication and listening skills then we would really like to hear from you. Experience of working with vulnerable individuals and with volunteers is necessary however we will consider individuals who have related experience of working in health and social care, education and other relevant areas. Full accredited training will be provided.

Further details and an application form can be downloaded from the Mind in Bexley's website (www.mindinbexley.org.uk) or alternatively contact Gill Holmes, Administration Officer, Mind in Bexley, 240a Broadway, Bexleyheath, Kent DA6 8AS. (e) gholmes@mindinbexley.org.uk or Phone 020 8303 5816

Closing date 12 noon Friday 29th January 2010.
